GELLI MAE T. BAYLON

Aspiring Web Developer

0963 192 8381

PROFESSIONAL SUMMARY

BS Computer Science student at Biliran Province State University seeking a Web Developer role. Interested in creating useful and user-friendly applications and websites. Built a wedding web app with a planning dashboard and a guest website. Skilled in HTML and CSS, with strong critical thinking, communication, and teamwork.

EDUCATION

Bachelor of Science in Computer Science
Biliran Province State University

SKILLS

- **Technical:** HTML and CSS, Basic Web Development
- **Soft Skills:** Critical Thinking and Analytical Skills, Communication and Teamwork, Creativity and Adaptability

PROJECTS

Our Wedding | Wedding Web App and Website

- Built a wedding planning dashboard showing events, guest list, gallery, messages, and RSVP status.
- Designed a guest-facing website with Save the Date, the couple's story, a photo gallery, and RSVP.
- Created a consistent navy and white visual style across both the dashboard and the website.

CERTIFICATIONS

- **Integrated OS: Be More Digi-TALINO (Webinar)**, Integrated Office Solutions, Inc., September 2025
